Thomas* is a single-parent dad with 5 children,

ranging in ages from 7 to 15. As a former Marine, he suffered a severe back injury that has hindered him from making a good living. His former wife left the family several years ago with very difficult emotional problems, and Thomas has had to raise the children alone. Yet Thomas comments, "I feel blessed with my children, and I am doing everything possible for them to have a normal life."

Thomas* in computer class

Love INC has stepped in to help with rental assistance, a furniture voucher for free furniture, and our computer training class that Thomas is attending. Love INC has also given him referrals to other county organizations including the veterans help line in order to make a difference for him and his family. Thomas put his life on the line in defending this country, and now we hope to honor him with his sacrifices by helping him and his children when they need it. As Thomas says, "God continues to be a stronghold in my life and the Lord has seen me through the ups and downs, but I feel I'm never alone. I have been guided and protected all along."

We at Love INC want to not only salute Thomas, but also all single parents who are struggling to make ends meet and are making sacrifices for their children. They are overcomers under sometimes the most difficult of circumstances! Revelation 21:7 says it best: "He who overcomes shall inherit all things, and I will be his God and he shall be My son." Praise God for the overcoming spirit of our Lord in those whose faith we honor this day!

Yours in Christ,

Carolyn
