Dear Love INC Supporter,

I want to thank you for your support over the years. We continue to be amazed at who God brings for us to help! This past month, we were blessed to assist a man who has a truly amazing story.

Nineteen years ago, Byron Halsey was convicted and sent to prison for the brutal murder and rape of his girlfriend's children ages 8 and 7. Since then advanced DNA evidence has proven that a next-door neighbor – the star prosecution witness – was actually responsible for the heinous crime. Walking out of the same New Jersey courthouse where he was sentenced to life in prison in 1988, Byron said, "I just want to thank Jesus." In a statement, the children's mother, Margaret Urquhart, said she always doubted Byron was responsible. "I knew Byron loved Tyrone and Tina. It didn't make sense to me that he could have done this. I always had my doubts, but I didn't know what to do about them." (Source: www.cbsnews.com/stories/2007/05/15/national/main2809576.shtml)

After Byron was set free, Love INC received a call from his pastor, Rev. Randy McNeill at the Mt. Zion House of Prayer in Red Bank, asking if we could help Byron with a car so he could get to work more easily. Love INC was blessed to be able to re-donate to Byron a late model Pontiac Bonneville that had been donated to us through the Wheels Appeal program.

We are so grateful to be a part of the rehabilitating work to help Byron start his life once again. Jesus said it best when He said He came "to preach good news to the poor . . . to proclaim release to the captives and recovering of sight to the blind, to set at liberty those who are oppressed" (Luke 4:18). Praise God that we had a small role in helping this captive move toward freedom and ending his oppression!

Thank you for your help in making a difference for someone like Byron. Please continue to support our efforts here at Love In the Name of Christ with your end-of-year monetary, car, or furniture donation.

Carolyn
