## Dear Friends of Love INC,

The faces you see are just some of the many people we have helped over the years with a donated car. What a blessing it has been to restart a life! These are people that have been verified, who for a variety of reasons, no longer have transportation.

### Let's role play a moment.

You're a single parent mom trying to maintain a household with a full time job and three children. The car you are driving requires repairs that are more than the car is worth and even then you can't afford them. You get an occasional ride with co-workers, but your main mode of transportation is taxis because the bus doesn't run to your place of employment. Child care, doctor visits, soccer games, grocery store and laundromat visits are all a burden. Money is very tight because the taxi rides add up. Occasionally when the weather permits you put the youngest one in the stroller and walk if the distance isn't too far or if it doesn't get dark too early.

**This is not an unusual circumstance!** It happens to many around our county. **Right now the "Clunker Program" has diminished our supply of cars almost completely.** Please consider donating your car, get the full market value as a tax benefit and change a Monmouth County residence's life. A car not only gives independence but self motivation to succeed. **We praise God that we are blessed and can be a blessing to others!**

Thank you for your  
continued support,

*Carolyn*

*PS...We are looking for phone volunteers to help us in our offices in Eatontown. We will train you and giving a few hours a week can make a difference to our neighbors in need. Our hours are Monday-Friday 9:00 am to 3:00 pm.*
